An aerial photograph of a resort or campsite nestled in a lush green valley. In the foreground, several white caravans are parked on a grassy area, with some emitting wisps of white smoke. To the right, there are several wooden buildings, including a larger structure with a covered area. A network of dirt paths winds through the site. In the background, rolling green hills and mountains are visible under a clear sky. A tall, thin chimney stack stands on a hillside in the distance. The overall scene is bright and scenic, suggesting a peaceful outdoor setting.
